Pizzeria

This is Spirit Lake's East Coast style pizzeria. We make our own dough fresh daily. We form our pizza entirely by hand - no rolling pins or sheets to take the life out of the dough. We use only the very best toppings available and fresh whole milk mozzarella cheese. We cook directly on hot bricks, just like in the old country. This is as close as you can get to authentic pizza without a passport.

- We *do not split* or add toppings to our *specialty pizzas* -
